Re: PlastyPAC  
FEC ID C00249342  
Mid-Year Report (1/01/09-6/30/09)

Dear Ms. Daughtrey:

I am writing in response to your letter dated September 23, 2009 regarding the above-referenced report filed by PlastyPAC. Specifically, your letter concerns the mismatch from our beginning balance and the ending balance of the 2008 Year End Report.

As we discussed recently, PlastyPAC audited our year 2008 PAC filings resulting in the need to change those filings (primarily relating to non-reporting of credit card fees). Because the new data had already been entered in the database, it changed our year end cash balance before we were able to re-file the reports. We should have that process complete by the end of next week and will also re-file Mid-Year Report 2009 to correct the noted discrepancy.

I will write you again at that time relating to all of our amended reports for 2008 and 2009.

Please let us know if any further information is needed at this time.

Sincerely,

Lori Shoaf  
Director, Federal Government Affairs  
American Society of Plastic Surgeons
